Peterson, Keith W. (VPBR 11)

Good evening, I would like to thank the Board for taking the time this evening to consider our waiver request for the active water well on 45 Glen Alpin Rd. My name is KP and my wife and I purchased the property on 45 Glen Alpin Rd last year with the aspiration of relocating our 3 girls to Harding Twp and building a home there. The property currently has an active water well that was utilized for the prior residence.

The current water well has been inspected, <sup>upgraded</sup> remediated, and consulted on by Bob Mooney at Andover Pump Co who has over 50 years of experience in the field. We have spent over \$8000 to ensure the current well is in perfect working order. Bob Mooney has also consulted with two Sr. Reps at the State of New Jersey and a Master driller in the State of NJ to verify his findings. They unanimously share his overwhelming sentiment that the current well on 45 Glen Alpin should not be decommissioned and should remain in its active status. I personally consulted with another NJDEP Master Driller Lic #M477095 at Ace Well & Pump that agrees with Bob Mooney's assessment and conclusion. Dave Fantina of Fantina Engineering has supported and documented Bob's conclusion and ensured the plan adheres to all current codes that were submitted to Harding Twp. offices in Dec 2019. The existing well will adhere to all setbacks and code as it relates to septic and home placement. Steve Goepel has filed the application and fee associated with the application on our behalf for the requested waiver.

As you can imagine, it has been a very challenging year for our family in changing schools and moving into a ~~short term living facility~~ in <sup>temporary apt</sup> Madison. Our intention is to begin the building process as soon as possible to mitigate any further disruption and financial consequences to our family. We are eager to acclimate and join the Harding Twp. community. At this point I would like to turn it over to Bob Mooney to address any concerns or questions you may have as it relates to our request. Thank you in advance for considering our request.
